March/April 2026 Newsletter

As we move toward spring I am excited about what is coming up. Between the three branches of our legion family I am expecting to see a lot of good things happening. Thank you to everyone who is supporting all of our fun legion events.

One of my biggest goals is to get our Legionnaires more involved and included in what is happening at the Legion. To that end, I am keeping the upcoming events page on our website (thurmontlegion.org) active with the fun we are having and am looking at methods to better communicate with everyone in the legion family. Some fun things to keep on the top of your mind are our Community Easter Egg Hunt on March 28 in conjunction with the Son's Artisan Markets, an upcoming Gun Bash, and a Community Celebration for the 250th Birthday of our amazing Nation to be held in June.

I also really hope to inspire our youth to get involved and stay involved- what better way than to support their quest for higher education. Legion scholarships applications are due on April 1, and you do not have to be the child of a Legion member to apply.

A final plea if you will, don't forget to get your membership renewed if you haven't already. Stop in to see our amazing bartenders to renew, enjoy the lunch and dinner specials, meet some of your fellow members and share ideas for a stronger Legion supporting our veterans, youth and community.

I hope everyone is doing well. Old Man Winter does not seem to want to give us a break this year. Hopefully, he does soon so we can get out and about once again.

We are starting to plan for this year's car show so mark your calendars for June 13th with a rain date of June 14th.

Our first Artisan Market for 2026 is Saturday, March 28th from 9:00 am – 3:00 pm. Please make an effort to stop in and patronize our many great vendors. Again, Cub Scout Pack 270 will be providing food this year. Come by and get one of Dwayne's famous breakfast sandwiches and support the scouts and vendors!

There is now a sign-up book behind the bar for anyone who would like to volunteer to collect money for bingo and 50/50 or to call bingo on Thursday nights. Just ask the bartender for the Bingo Book and put your name and number on the calendar.

We are still doing meat packs on Thursday and some Friday nights. Stop in and take a chance! Lastly, our next meeting is April 7th at 7:00 pm. Please plan on joining us. Your thoughts and ideas are always welcome!

God Bless, Robby Maze SAL Commander

Spring is just around the corner, but it seems Winter isn't quite ready to say goodbye yet! I hope this finds you in good spirits despite the lingering chill.

I wanted to let you know of some exciting events and meetings planned in the next couple of months. First off the March 50/50 will go to the Martinsburg VA Hygiene.

On March 22nd, the Auxiliary will be hosting the District 8 meeting, at 1:00 pm. There are 8 Districts in the State of Maryland. This is a great opportunity for Auxiliary members to meet other members from the 13 Units that make up District 8 and engage in some meaningful discussions. I highly encourage you to attend and connect with fellow members.

Friday, April 3rd Ham and Turkey night along with a silent cake auction will be on. We would love for you to come out and support the Auxiliary while enjoying some delicious food from the kitchen and bidding on some scrumptious cakes, to share with your Family and Friends during the Easter holiday.

April 11th we will be honoring Veterans with a home cooked meal to thank them for their sacrifice.

As always, we value your participation and ideas. We warmly welcome any suggestions you might have to improve our meetings and events. Your contributions are what make our Auxiliary so special.

Looking forward to seeing you all at these upcoming events!
